

## Community Service Events

### **Penrose-St. Francis Health Foundation – September through June**

*Penrose-St Francis* has been a great partner of SCAHU in providing us with locations for our monthly CE Breakfast meetings. We would like to give back to them and to our community by providing a cash donation to their fund. The ***Penrose-St Francis Health Foundation*** is a program that helps members who are unable to pay their deductibles, coinsurance, co-pays and other out of pocket expenses like mortgage, rent or even utilities. This is a program that is right at the heart of what we do as employee benefit specialists. Please help throughout the year and contribute to the fund.

### **Food Drive – January through June**

The Wayside Cross Mission – Pueblo – Canned Food  
Springs Rescue Mission – Colorado Springs – Cereal Boxes

Bring a can food item and a box cereal to each meeting. The boxes of cereal will be donated to the Springs Rescue Mission and the canned food items will be donated to The Wayside Cross Mission. This is a great way to participate each month and the items will go a long way in our community.

As always, I would really appreciate any assistance or ideas that will help make our community even better. Please look for flyers at our meetings regarding each of the different projects.

Thank you very much,

*Jo Ann Vernon*
